SEAT BELTS:FRONT:BUCKLE ASSEMBLY

Campaign 22V612345 • 09/14/2022

General Motors LLC is recalling certain 2022 GMC Terrain vehicles. The front seat belt buckle anchor pretensioner may have been incorrectly assembled, which could prevent the seat belt from properly restraining the occupant in a crash, increasing the risk of injury.

Remedy: Dealers will inspect and replace the front seat belt buckle anchor pretensioners as necessary, free of charge. Owner notification was mailed October 2022.
